

green = Outside Teams
red = Inside Teams
blue = other leaders and teams

This org chart does not include all aspects of Guest Services at our campuses. We tried to only include those parts of Guest Services that would be most valuable for you to see. There are other teams within Guest Services (i.e. Tour Team). There are other layers of leadership (i.e. Buckhead Church has Coordinators over their Captains). And there are smaller teams within the teams listed (i.e. Ushers are a part of the Host Teams).
